NASHVILLE CHAPTER OF THE AMERICAN GUILD OF ORGANISTS

JANUARY 2020

DEAN'S CORNER

Happy New Year! Many of us will now have attended the fabulous services and concerts that are still being presented at the writing of this column. Nashville is abundantly generous in its musical offerings, especially during Advent and Christmas. Our AGO members were in evidence everywhere as they directed, played, and supported our colleagues. I was personally gratified and inspired by the music and texts woven together to deliver the Advent and Christmas message.

Even though our chapter didn't officially meet in December, there were important planning meetings going on. A new year will also bring some new updates for our chapter's communications, election process, and programming. We are always looking ahead to advance and promote the role of the organ and choral music through education and performance. Be sure to read upcoming notices from our chapter.

Specifically, watch for changes on our Facebook page, election procedures this spring, and program announcements for 2020–2021. We have been blessed with many new members this year as well. I commend the executive board and the coordinators for taking up the task to reach out, improve, and seek changes that will help us grow—in number, effectivity, and quality.

May love and joy be also with you,
Marsha Scheusner

CHAPTER MEMBERSHIP & PROGRAM DIRECTORY

Yes, we are planning for a new membership directory for fall 2020. It is really helpful to have photos for all of our members. You can update your photo or submit one for the directory now. Please send it to Melissa Emerson at melissa@calvaryumc.com. We would like to have all the photos in by June 1, but they can be sent in any time.

NEW ORGAN AT ST. GEORGE'S

John-Paul Buzard Pipe Organ Builders is delighted to announce signing of a contract with St. George's Episcopal Church, Nashville, for a new pipe organ. The new four-manual instrument will initially have 48 independent speaking stops and 58 ranks of pipes, and is prepared to receive additional stops at a future date to bring the total to 55 stops and 65 ranks of pipes. The new instrument is being built in conjunction with a complete renovation of their sanctuary and is a part of the parish's larger capital campaign. Scott Riedel, of Riedel and Associates, is the church's acoustician and organ consultant. The new organ is scheduled for delivery in early 2022. Dr. Woosug Kang is St. George's director of music; Gerry Senechal is organist and associate director. The rector is Rev. Leigh Spruill.
