NASHVILLE CHAPTER OF THE AMERICAN GUILD OF ORGANISTS

MARCH 2022

DEAN'S CORNER

I hope you are all safe and in good health as COVID cases go down and rules continue changing. The past couple of months have been busy and eventful, with an informative event at St. George's and a joyful celebration at First Lutheran. I am aware that, even as in-person events are resuming in our community, we still face the sad fact that many of our friends and family members are suffering from COVID.

I would like to share my sincere thanks to our February Flourish committee, led by **Marsha Scheusner**. Between the pandemic and weather issues, the event was delayed for multiple years. Yet this team maneuvered around these difficulties fluidly, leading us to a meaningful and joyful weekend. I would also like to thank **Kristen Hansen** for jumping in and making First Lutheran a welcoming place for all of us. I had delightful conversations with our members and guests—including a visitor from the St. Louis chapter—and I was reminded of how active we are as a chapter, and how we are doing everything we can to move beyond the pandemic, cautiously but surely.

On a personal note, I was very pleased to see so many chapter members at St. George's for our workshop in January. Scott Riedel shared about our acoustical enhancements in detail, and John-Paul Buzard shared his personal beliefs and thoughts on organbuilding. I left this workshop feeling energized and excited—something we all could use as we emerge from this pandemic!

We have chapter events coming up in March and May. Please be sure to note the changes in times and venues for both of them. There is a great team working behind the scenes, making these changes happen seamlessly, and we hope these events will lead us into a full season of programming in 2022–23!

Sincerely,
Woosug

MEMBER NEWS

From Melvin Potts, on January 27:

Today Barry Lumpkin and I enjoyed a nice visit with Marie Wiggins. Marie is unable to attend meetings but wanted everyone in the chapter to know that she asked about them and sends greetings. She is now 100 years old—and her mind is still sharp!

A NOTE FROM REGIONAL COUNCILLOR SUE MITCHELL-WALLACE

Thank you, everyone, for all that you did to make the February Flourish so successful. I was so pleased by the attendance, the positive spirit, the energy, and most of all, the camaraderie experienced in person and via Zoom. The strength and the energy of AGO members is what makes our organization so splendid; this was beautifully on display with Nashville's successful February Flourish. Please let me know what I can do to assist the chapter in the future.
